About Us

Ying Premium Hardware Company Pvt. Ltd. has revolutionized the Pakistani door handle industry first time in Pakistan, providing products that combine unique designs, functionality and value for money. YPHC is one of the leading manufacturers of building door handles and fittings. From the very start, we were keen to introduce modern and exquisite designs to our customers which would add quality and aesthetics to their living & work spaces, Thus, we have been part of their home and business due to importance we give to every minute detail.
